

**Donate Today      Save the Serpent Campaign      Our Goal: \$50,000!**

*Step One in our efforts to preserve and restore the Christopher Vought House*

- We've been approved for a \$30,000 grant to stabilize and plan the restoration and future use of the Vought House.

We need \$10,000 in matching funds to accept the grant and get started.

- Funds are also urgently needed to keep the roof intact and to stabilize the rare historic ceilings and protect the home's interior.
- We're obligated to share the costs (up to \$9,000) of a new 450-foot sidewalk from our new parking spaces in the lot by the barn to the Vought House.

***Help Make History Happen!***
